**G·R·E·E·N**  
an alternative adventure program for children

# April Newsletter

## April Monthly Outing:

Come and Join us as we collect and wrap clothes and personal items for the children and families of St. Jude.

Friday, April 30th 4- 6pm at  
Spotted Leaf Park

Snacks and drinks will be  
provided.

**Please let everybody know  
about this clothing drive for  
the children of St. Jude.**

## HIGHLIGHTS

March's outing left us all breathless. **One of our members stated "I will never litter again! (D.G. age 7)"**. We were all shocked to see how much litter was up at Lake Mead. It was great to see how many volunteer groups came out to help.

## Look for us:

Our after-school program began this month at The Sandra & Stanley Mallin Early childhood Center. We are having fun making new creations!

## Green Tip!

Alternative transportation is one of the best ways to help the Earth and here's why: 50% of the total energy used in the U.S. is consumed through the use of automobiles and trucks. Using alternative transportation is great for the ozone! So before driving think of carpooling, public transportation, biking, or walking!

## Local Happenings:

- Farmers Market at the Gardens Park Tuesdays 4pm – 8pm
- May 1st – Red Rock Clean-Up 9am – 2pm
- May 15th Mount Charleston Spring Cleaning 9:30am – 3pm

## Member SPOTLIGHT:

**Las Vegas members started a vegetable garden in there backyard.**

**Drop us an email and tell us what you are doing.
