# May Newsletter

## May Monthly Outing:

Come and Join us as we work to beautify St. Jude's Ranch for Children on Friday, May 14th, 2010.

Snacks and Drinks will be provided.

Location: Boulder City, NV 89006

## HIGHLIGHTS

Thanks to all the families who participated in April's event. Thank you for all your hard work packaging, sorting and labeling all items for the children of St. Jude. Your help and support is appreciated!

## Stay Tuned!

Stay tuned for our June outing: our members will be working at a food pantry!

## Green Tip!

**Reduce Paper Usage:** Did you know that the average worker uses about 12,000 sheets of paper in one year? (Source: office PRO, April 2008) Reduce your paper usage by 50% and print two-sided copies. ([www.creativeloafing.com](http://www.creativeloafing.com))

**MS Word users:** File, Print, Properties, choose Two-Sided (Duplex) Printing, then click 'OK'..

Make two-sided printing and copying the standard practice in your office!
